### FINANCIAL POLICY

Thank you for choosing The Smile Institute to meet your dental needs. Our goal is to create a relaxed environment where we provide comprehensive dental care by leading edge practitioners who not only practice dentistry, but also teach and are involved in research to improve oral health.

#### Non-insured Patients:

Payment in full is required at the time of service. However, we will make payment arrangements for major procedures. These arrangements must be made **before** treatment is started.

#### **Insured Patients:**

We accept most dental plans but It is your responsibility to know your benefits and coverage, including yearly maximums, waiting periods, and any other coverage exceptions or limitations. However, we will contact your insurance carrier to verify your benefits and determine your estimated coverage. This is usually a rough estimate because the insurance company does not have to reveal the maximum fee it will reimburse for services, generally referred to as the UCR or the usual and customary rate/fee. As a courtesy, we will file your claim and require that the benefits be assigned directly to our office. We expect you to pay the uncovered portion of your services the day your services are rendered. If your insurance carrier has not paid their portion within 60 days you are immediately responsible for the balance in full. **You are responsible for any amount your insurance does not pay.** 

#### All Patients:

Our fees are subject to change. Any outstanding balance not paid at the time services are rendered, will be turned over to our collection agency after 60 days. The patient or person responsible for the account agrees to pay any administrative fees, attorney fees, court costs, or any other costs of collection. Accounts sent to our collection agency are subject to a 15% Collection and/or Attorney Fee. Any accounts having a balance over 45 days past due will be assessed an interest of 12% APR.

#### Cancellation and Rescheduling policy

Please be advised that we require 24-hour notice be given to reschedule or cancel appointments. If 24-hour notice is not given, you may be subject to a \$50 per appointed hour charge. We confirm appointments within two days to one week of your appointment, depending on your dental service type. We request a call back for confirmation of scheduled appointments.
